5/6 Langlois

Flying High

The grade 5/6 classroom created a piece of art showing planes flying in the sky for their unit on Flight. The background was created using watercolours (sky) and dabbed white paint on with cotton balls for the clouds. Then, they drew an airplane using a "How to Draw an Airplane" tutorial, which they then cut out and glued onto their sky.

Requests

GES would love donations of the following items...

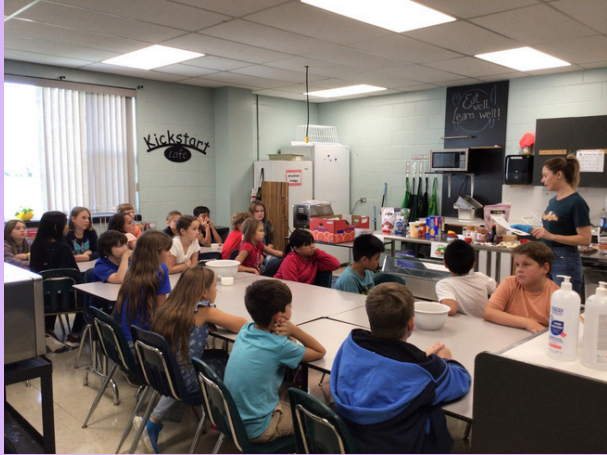

- ice cream pails
- bubble wrap
- fabric scraps
- newspapers
- magazines

THANK YOU for your help!

Upcoming Events

- GES PAC meeting @ 7 p.m. - **November 3**

- NO SCHOOL (Remembrance Day) - **November 11**
- Tri-Conferences - **November 20** (after school)
- NO SCHOOL (Tri-Conferences) - **November 21** (a.m. only)

4/5 Semler

Food Fun

On October 10, Sherri Bobrowski came and taught the grade 4/5 class some healthy snacking recipes. The grade 4/5 class has been studying Canada's food guide as part of our science unit on the Healthy Body.

Thank you to everyone who supported our Mom's Pantry fundraiser.

An extra special thanks to the families of Jaida, Astyn and Winston whose efforts were above and beyond!

This money will allow us to have extra special events at our school throughout the year:)

October 30, 2025

Dear Parents and Guardians,

To help children be safe – and seen – this Halloween, Manitoba Public Insurance is pleased to provide wearable light flashers to all trick-or-treaters from Kindergarten through to Grade 6.

Road safety is important every day of the year, but Halloween presents unique challenges as large numbers of children are on community streets after dark.

Please keep your ghosts and goblins safe this year by using their wearable light flashers, and by following these important road safety reminders:

- Look in all directions for traffic before crossing the street.
- Never cross between parked cars.
- Always walk – never run – across the street.
- Take care when crossing at traffic lights and stop signs by waiting for vehicles to come to a complete stop and making eye contact with drivers.
- Remember that cars cannot stop quickly in wet or icy conditions.
- Be cautious of masks that may obscure your child's vision.
- Be cautious with dark costumes that may be difficult for drivers to see.
- Consider walking with your children or have them travel in groups.

Thank you for helping to make this a safe and happy Halloween.

Sincerely,

A handwritten signature in black ink, appearing to read "Maria Campos".
